

**MYOUR<sup>®</sup>**  
ITALIAN DIFFERENT CONCEPT

Cambiando...  
Changing...

Quattro persone s'incontrano, ognuna di esse ha esperienze maturate in luoghi diversi, chi tecnica, chi imprenditoriale, chi di creatività, chi di marketing.

Il confronto di idee diverse ma complementari diventa fusione e decisione di dar vita ad una produzione tematica piuttosto che ad una collezione d'oggetti concepiti con stile coerente.

**MYOUR** concentra capacità di generare idee, di definizione del prodotto, solide conoscenze tecniche, marketing aggressivo per una rapida collocazione sul mercato.

Grazie alla tecnologia della Casa Madre, **MYOUR** si propone come contenitore di esecuzioni raffinate, concetto avanzato rispetto alla tradizionale azienda produttrice di beni di consumo.

*Four people meet, each one of them have experiences matured in different places, one has got technical experience, one entrepreneurial, one is creative, one is well acquainted with marketing.*

*The meeting of different but complementary ideas become a merging and a decision to give life to a theme production rather than a collection of objects conceived with a consistent style.*

***MYOUR** concentrates the capacity to generate ideas, to define products, solid technical knowledge, aggressive marketing for quick market collocation.*

*Thanks to the Parent Company's technology,*

***MYOUR** presents itself as a container for refined makings, an advanced concept compared to the traditional manufacturing company of consumables.*
